DaddyDunco scored **1,417.25**, the second-highest total, would have beaten eight of the other nine teams, and lost to the one that was always going to beat it. WALKOVER

LUKA DONCIC 250.25 · DENI AVDIJA 190.25

EVAN MOBLEY 184.75 · CADE CUNNINGHAM 178.25

Vishal had only eight players on the scoreboard and finished with the ninth-best score of ten. Evan Mobley's 184.75 as its best player is not a leading scorer, it is a cry for help.
